

## Downtown Rejuvenation Project

In late May, Florida Culinary Institute partnered with the City of West Palm to kick-off an exciting new downtown rejuvenation project! The \$2 billion project will transform West Palm's waterfront area into a beautiful public recreation center to include fountains, gardens, boat docks and more.

Students from FCI created an impressive and inspiring cake to mark the occasion offering a sweet taste of what's to come! Participating students included Flora Rosania, Daniel Franco, Bruce Bell, Ingrid Hospedales, Gianna Miles, Natascha Galvin, Bobby Cervery, Elizabeth Ryan, Kim Wall, Scott Petrone, Tracy Kaufman and Vivian Hussein. Participating chef instructors included Chef Bonet, Chef Gray and Chef Schmidtke. Congrats to FCI and West Palm on the start of an exciting project launch!
