Meet Chris Mathis-LCI IBP Student- Garden and Bread Club Member

What do you consider to be your greatest achievement? Deciding to come to Lincoln Culinary and going for my dream.

What is your greatest fear? Having to do something I hate doing and that's totally boring.

What would people find in your refrigerator? A light bulb.

What are words you live by? Life's a play just try to be the star!

Bread Club News

by Chris Mathis

Hey Bread Club fans to keep you up to date on all things Bread let me just say that on the 18th the club did 2 breads, a sensational Ciabatta and a fabulous French bread. As we operate under Chef Schmidtke, I swear we never know what we're going to do although I think Ciabatta is never going to leave. To find out what other magnificent breaded wonders those goofy, zany, heart baking go-getters turn out next you have to either read our articles in What's Cooking or just come out and join in on all the fun!
