Indianapolis	Welding and Metal Fabrication Technology	Certificate	8 months	04/2021 - 03/2022	84%	70	83	78%	85	109

\* The employment percentage is calculated by dividing the number of graduates employed in field by the number of graduates available for employment within the reporting period.

Number of Graduates Employed in Field  
Number of Graduates Available for Employment

\*\*\* The graduation percentage is calculated by dividing the number of graduates within 150% of the program length by the number students available for graduation within the reporting period.

Graduates within 150% of Program Length  
Number of Students Available for Graduation
